

FORWARD MUKWONAGO

Dear Friend:

An academic program and a sport program produce student athletes who contribute to the success of a community. The front page of Mukwonago High School exudes a community essence of never-ending pride. Forward Mukwonago is an organization of Mukwonago School District citizens and alumni advocating the development of a renovated football and track field at MHS. The vision provides a newly constructed bleacher facility with modern amenities to include fully functional concession and restroom areas. These new amenities will place Mukwonago High School ahead of the other Classic 8 schools' standards and reflect that MHS bodies and souls are undoubtedly top of the class.

Forward Mukwonago is seeking tax-deductible donations to fund this vision. Corporate donations assigned to three different levels, silver, gold and platinum for monetary contributions of \$5000, \$10,000 and \$15,000 respectively will be acknowledged on a monument featuring corporate donors integrated in the design of the new stadium. Gift bricks are also available for sale (please see insert) and will surround the walk way leading up to the monument. For further information phone Art Schneider at 414-313-1320.

Naming rights for the stadium is an available option. If interested, please contact Toby Ackerman at 363-6217 or visit our web site at www.forwardmukwonago.com.

Any one who has enjoyed a little bit of MHS history now has the chance to help shepherd this effort. Please consider a donation. Any support, big or small, will help achieve this goal.

Thank you for your support,

Art Schneider, President
